COMPETING FAX SOLUTIONS

Traditional fax solutions can be difficult to scale.

Competing fax providers may be limited in the fax services and solutions.

Traditional fax may lead to downtime or busy signals, delaying the message exchange.

Traditional solutions may only provide confirmation of receipt.

Fax providers may not be flexible with pricing, offering only subscription-based pricing.

A lack of emphasis on providing excellent support, slow resolution times.

Contact Fenestrae today and learn why more and more businesses are turning to Faxination for robust enterprise fax solutions.
